**APPLICATION FOR MEMBERSHIP**

The Northern Lake George Yacht Club was formed in 1940 by the merging of several sailing groups at the northern part of the lake. The Club carries on a summer program of sailing, swimming, life saving, water safety and tennis. The Club facilities, including land, clubhouse, equipment and boats are the results of member's contributions and volunteer construction efforts over the years. Club dues, together with fees for classes, cover current expenses: a modest Capital Fund assessment is required for new members.\* Also, all members recognize that the Board of Directors from time to time may authorize solicitation of members for voluntary contributions or special assessment for Capital Projects. Prospective members must be proposed and seconded by present members and elected by the Board of Directors.
